

STATEMENT OF HEALTH AND SAFETY POLICY

Quality, Health, Safety and Welfare Policy Statement **Accident Prevention and a Safe Working Environment is our Top Priority**

Subsea Riser Products (SRP) is committed to continual improvement and ensuring the health, safety and welfare of all its employees, so far as is reasonably practicable. The organisation will also seek to conduct its activities so as to prevent any injuries, harm or ill health to contractors or clients.

All steps will be taken to ensure that our statutory duties are met at all times.

The Chief Executive Officer for Acteon Group Ltd. will take overall responsibility for the management of this policy. Implementation of the policy is the responsibility of the Managing Director.

Every employee must co-operate with the Company to enable all statutory duties to be complied with. The successful implementation of this policy requires total commitment from all employees. Each individual has a legal obligation to take reasonable care for their own health and safety, and for the safety and well being of other people who may be affected by their acts or omissions.

Every employee will be given such information, instruction, supervision and training as is necessary to enable the safe performance of all relevant work activities.

Adequate facilities and arrangements will be maintained to enable employees and their representatives to consult on, and raise, health and safety issues. Competent people will be appointed to assist the Company in meeting our statutory duties including, where appropriate, specialists from outside organisations.

The policy will be regularly monitored to ensure that objectives are achieved. It will be reviewed and, if necessary, revised in light of legislative or organisational changes.
